Overview

Rarely available, this two-bedroom maisonette is split over three floors giving the feel of a townhouse, and is steeped in character with original wood panelling and fireplaces combined with modern finishes. On the first floor is a reception room with high ceilings and large French doors that allow light to flood in. The dining area leads from the living space while a modern eat-in kitchen shares the same floor. On the second floor is a double bedroom and bathroom, while the master bedroom occupies the top floor with another bathroom complete with a separate shower and inviting roll-top bath. Both bedrooms have useful fitted storage.

Beak Street is on the border of Carnaby and Soho with Kingly Court and its host of international cuisine moments away. Buses operate on nearby Regent Street although many central London neighbourhoods like Mayfair, Covent Garden, Fitzrovia and St James's are all within a 15-minute walk. Underground services can be reached via Oxford Circus (Bakerloo, Central and Victoria Lines) and Piccadilly Circus (Piccadilly and Bakerloo Lines), both within walking distance.

The maisonette is available immediately on an unfurnished basis. Subject to contract and satisfactory references. Westminster Council tax band: G.

People Make Places

London is a collection of inspiring urban villages and one of the most exciting places in the world to live, work & play.

We work with both property owners and their occupiers, sharing the story of these vibrant neighbourhoods, conveying the unique soul & energy to future custodians, the people who'll keep them buzzing.

And unlike many real estate businesses we're not just about buildings, because streets & buildings don't make a neighbourhood.

We're about building relationships, because **people make places**.
