Overview

Positioned just off Covent Garden's world-famous Piazza, this exceptional one-bedroom apartment occupies the third floor of a charming period building and has been finished to a high specification. The property features a contemporary open-plan kitchen and reception room, alongside a large double bedroom with excellent built-in storage. The bedroom is strategically at the rear of the building to ensure a quiet, peaceful sleeping environment. As part of the prestigious Covent Garden Estate, residents benefit from exceptional, well-considered design and high-quality furnishings. The experience is fully backed by a dedicated team of property managers, support staff, and estate security and facilities teams. Secondary glazing and comfort cooling are fitted for tenant comfort.

While much of Central London is easily accessible on foot, including the vibrant nightlife and food scene of Soho, Mayfair, St James's, the Southbank and Fitzrovia, several transport options are within reach. Buses operate nearby from the Strand, while mainline train services to London Bridge can be accessed via Charing Cross, which also connects to the Underground network (Northern and Bakerloo Lines). Covent Garden Underground Station (Piccadilly Line) is also a short walk away.

People Make Places

London is a collection of inspiring urban villages and one of the most exciting places in the world to live, work & play.

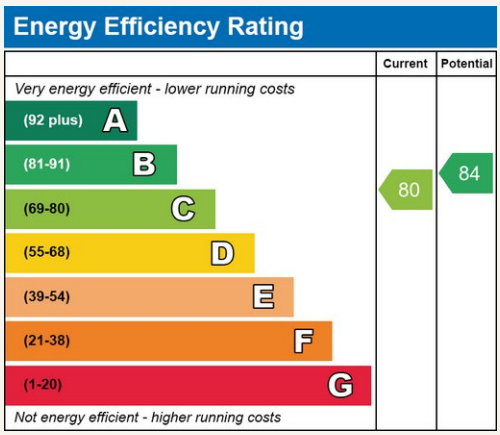

We work with both property owners and their occupiers, sharing the story of these vibrant neighbourhoods, conveying the unique soul & energy to future custodians, the people who'll keep them buzzing.

And unlike many real estate businesses we're not just about buildings, because streets & buildings don't make a neighbourhood.

We're about building relationships, because **people make places**.
